# Crosscountry USA

If you're looking for a relevant way to teach US geography try CROSSCOUNTRY USA. The simulation format presents essential US geography in context so it is more likely to be retained by students.

In CROSSCOUNTRY USA students play the role of truck drivers on a mission to find the commodities that drive America's economy. They will make decisions, read maps and plan the most cost effective route. Your students can play in pairs or in small groups.

The CROSSCOUNTRY series of geography software correlates with most social studies curriculum for intermediate grades. The School Edition provides ideas on how to integrate the program into the classroom. Included are maps, reference cards, map pads and a backup copy. Grades 5-up.

Others in the series are: CROSSCOUNTRY CANADA, CROSSCOUNTRY CALIFORNIA, CROSSCOUNTRY TEXAS

### PAPER NOTES . . .

Use 15# if you are using a large quantity and you don't mind a lightweight paper. Because of its light weight - 15# can burst apart at the perforations while going thru printer.

"Clean" means you can't see side perforations. When you tear apart it looks like type-writer paper - clean edges.

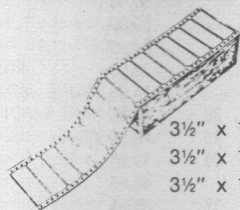

20# is recommended for its durability and quality. This is the same weight as type-writer paper.

Call for freight charge on above paper.

# ORDERING INFORMATION

**LAST MINUTE NEEDS? CAN WE HELP YOU WITH . . .**  
**Ribbons? Paper? Colored Paper? Diskette Holders? Computer Coverups?**  
**Printer Stands? Surge Protectors? Disk Drive Cleaning Kits?**  
**FIND IT FAST IN OUR ALPHABETICAL INDEX!**

- **ORDERING:** Either pick up the phone and call us TOLL FREE, send us the enclosed Order Form or an authorized purchase order from your school listing the PRODUCT NAME, MANUFACTURER, AND TYPE OF COMPUTER on which you plan to use it. By providing complete and accurate information you will assist us in expediting your order. Personal orders are also welcome at the same discounts. Our normal turnaround time is 7-10 working days but we can accommodate special "rush" requests. Due to periodic manufacturer delays in shipping, all backorders will be cancelled after 30 days in order to serve you better.
- **TERMS:** Payment terms are net 30 days for schools to receive the stated discounts. Personal orders require a check with order. Please allow 10 days for personal checks to clear. International orders must be paid in U.S. Dollars. Due to our inability to control manufacturer price increases, our prices are subject to change without notice. Prices in this flyer supercede all previous publications. We accept MasterCard and Visa on orders of \$50.00 or more.
- **FREIGHT:** FREIGHT WILL BE PREPAID ON ALL U.S. ORDERS OF \$300 OR MORE. Add 5% on orders less than \$300 for shipping, handling and insurance (Alaska and Hawaii 8%), with a minimum charge of \$3.00. Canadian orders add 10% freight with \$5.00 minimum. Computer paper is shipped F.O.B. Hoffman Estates, Illinois and will appear as a separate charge on your invoice.
- **RETURNS:** We deal exclusively with first quality merchandise. If for any reason you receive a defective product, or one that does not meet with your satisfaction, call us TOLL FREE to receive either a replacement copy, credit to your school account, or refund to your school. All returns must be received **within 30 days** and accompanied by a return authorization number that we will issue at the time of your call. **Your return package must have our return authorization number clearly marked on the outside or it will be returned. Return Authorizations are valid for 14 days from date of issue.** Most manufacturers will replace your disk at little or no cost directly, if you encounter any problems after the 30 day return period. We will do everything possible to help you expedite this. Personal and special orders are **NOT** returnable; defective products will be exchanged for the same.
