

SIERRA'S BULLETIN BOARD SYSTEM

If you have a modem, you can call Sierra's new Bulletin Board System anytime, day or night, seven days a week, 24 hours a day! Call the Sierra **BBS** at **(209) 683-4463** for free demos of Sierra software, technical support, game hints, and new product information.

In order to "download" product demonstrations, you will need modem software which supports "xmodem" protocol. Check your telecommunication software manual for availability and instruction, or ask your local dealer.
