A TROLL LEARNING CENTER

Here's the perfect combination for helping children build strong reading and learning skills.

Children start with the I CAN READ book first, or follow along as they listen to the lively word-for-word cassette. Then they turn to the micro-software for fun-filled computer activities that focus on learning and language skills.

THIS UNIT CONTAINS:

- a 48-page "I CAN READ" Book
- matching READ-ALONG Cassette
- a User's Guide
- a MICRO-SOFTWARE Disk with 4 exciting learning games
