CREATURES OF THE NIGHT

A TROLL LEARNING CENTER

This unit contains: An "I CAN READ" Book
with matching READ-ALONG Cassette, Guide
and **MICRO-SOFTWARE Disk.**

A cylindrical container, possibly a marker or paint can, with a white label. The label features the title "CREATURES OF THE NIGHT" in large, bold, black, sans-serif capital letters. To the right of the title, the words "TROLL" and "MICRO" are printed vertically in red, sans-serif capital letters. On the left side of the container, there is a decorative band with seven vertical stripes in the colors of a rainbow: yellow, orange, red, purple, blue, and green. The container appears to be made of a light-colored material, possibly plastic or metal, and shows some signs of wear and discoloration.

A TROLL LEARNING CENTER

Here's the perfect combination for helping children build strong reading and learning skills.

Children start with the I CAN READ book first, or follow along as they listen to the lively word-for-word cassette. Then they turn to the micro-software for fun-filled computer activities that focus on learning and language skills.

THIS UNIT CONTAINS:

- a 48-page "I CAN READ" Book
- matching READ-ALONG Cassette
- a User's Guide
- a MICRO-SOFTWARE Disk with 4 exciting learning games
