Thanks for your purchase!

While I'm confident that you'll be pleased with this software package, I would like to hear from you after you've had a chance to use it for a while. May I ask a favor? Please keep this letter handy, filling in items as they occur to you. Then when you have the chance, please drop it in the mail to me so I can do a better job of providing the kind of software that you need.

Thanks again!

Dann McCreary

Program Name:.....Serial #.....

Did your package arrive in good condition?

Any problems loading the software? Please describe.

How would you improve the documentation?

Have you discovered any bugs or errors?

What are your applications for this program?

General comments, observations, etc.

What other software would you like to see?

- Thanks for your time. If you like this software, show it to your friends, associates, etc. and please let them know where they can order it.
