# TEMPLE of APSHAI TRILOGY™

A Classic Computer Age Adventure

**The Temple of Apshai:** A Zombie attacks—you have the strength to cleave it in one blow...

**The Upper Reaches of Apshai:** Later, after hundreds of rooms, will you have the strength to even carry your sword?

**The Curse of Ra:** Will you ever know the secret of the Sphinx?

The Gates of Apshai loom before you. Many adventurers have stood here and pondered their fate. Will you plunder the grand treasures of the Apshai priests? And live to learn the secret of the Sphinx? Did the wily Innkeeper wheedle his profit from your meager purse? Or do you go forth equipped with the finest swords and armor leaving him muttering oaths and swearing you stole the food from the mouths of his babies?

Once inside the Temple you know why the Legends of Apshai speak of Magic. You will need more than a character of strength and intelligence and the keen nose of intuition to overcome the evil and power of the Curse of Ra. The monsters roam about—Zombies, Ghouls and the terrifying minions of Apshai the Insect God. Giant mosquitos, wasps, ants and beetles suddenly attack, biting and clawing. This my friend is adventure—classic adventure from the DunjonMasters at Epyx. Welcome to the Temple of Apshai Trilogy...you're just in time for lunch!
