

THE HALLEY PROJECT:

Registration for Certification

Important: Certification limited to Starbird pilots (those who have completed all 10 missions in the program). Please verify your status before filing.

To receive official certification that you have qualified for The Halley Project, fill in the form below when you have completed Starbird, the tenth mission. Then tear off the form, add postage, and mail it back to P.L.A.N.E.T.

Upon finishing Starbird, you will receive a secret code number. Write the number in below; it is the key to certification. If your credentials match the ones P.L.A.N.E.T. secretly assigned you, P.L.A.N.E.T. will send you your official certification for The Halley Project. This registration form must arrive at P.L.A.N.E.T. Headquarters by December 31, 1985, if you want P.L.A.N.E.T. to compare your performance with that of other pilots. Special instructions for completing The Halley Project, the final challenge, will be sent to you at a later date at the address you supply below.
